

Quality Policy

Omnium International Limited

Is committed to delivering exceptional quality of services to clients, driven by our own high standards and expectations that reflect Omnium core values,

the three R's:

REPUTATION

Maintaining Omnium's **reputation** as a leading Cost Consultant in the industry and the region.

RELATIONSHIPS

Developing and maintaining long standing business **relationships** with our stakeholders.

RIGHT

Applying high business ethics and code of conduct across the organization by consistently doing the **right** thing.

To realize this, we are fully committed to:

- 1.1. Endeavor to achieve best value in design and construction for our clients throughout the life cycle of a project.
- 1.2. Understanding the needs and expectations of our clients and working closely with them to ensure that our services conform with their requirements.
- 1.3. Understanding and complying with the requirements of all other stakeholders to deliver our services.
- 1.4. Establish, implement, and continually measure the achievement of our Quality Objectives.
- 1.5. Striving to achieve client satisfaction.
- 1.6. Continually seeking areas of improvement to our services.
- 1.7. Ensuring compliance with ISO 9001:2015 Quality Management System.
- 1.8. Complying with our Quality Management System and Procedures, and continually reviewing and improving the effectiveness of each.
- 1.9. Providing regular training and awareness for our staff in line with the latest industry developments and standards.

The success of this policy can only be achieved through teamwork, dedication, and commitment by all our staff members. We are committed to aiming for excellence and to accept nothing less. This quality policy is communicated and made available to all our interested parties.
